Councilmember Lee,

Good morning!

We need some help... These cans are normally on Petit Ave in front of the library for pickup, due to parked vehicles they were placed on Chatsworth Street. Would you please ask Department of Sanitation to pick those up? They're overflowing . Also, the cans in front of the library are overflowing...2 more cans are needed to meet the usage.

One last item... The hoarding that's in Petit Ave and on Chatsworth Street has got to be addressed. If health is "The" single most important issue we face.. these cesspools must be cleaned up. Pedestrians are going into a street to avoid them. Please stand up for your community!

Thanks!
